I, the undersigned, am applying to become a registered LGSETA moderator. I agree that, if my application is successful, I hereby commit myself to abide by the LGSETA Code of Conduct in relation to all my work conducted as an LGSETA moderator. The Code of Conduct to which I agree is as follows:

- I shall conduct my work as an LGSETA moderator with integrity, seeking at all times to create a positive environment for moderation and to take note of and respect the historical diversity of candidates' cultural, linguistic and educational backgrounds;
- any conflict of interest such as a financial or family relationship or close friendship existing between myself and any candidate shall be declared in advance, and, if requested, I shall recuse myself from the process in such instances;
- all information received during my work as a moderator about individuals or organisations will be treated with the strictest confidentiality unless it is relevant to the fairness, reliability and validity of the assessment process;
- all relevant information about any irregularities in the assessment process of which I become aware will be included in my reports to the SETA; these will include:
 - unplanned environmental, personal or other problems which may have interfered with the performance of the candidate
 - suspected or proven irregularities committed by the candidate
 - suspected or proven irregularities committed by any other parties to the assessment
 - any suspected or proven bribery, threats or sexual or other harassment of or by candidates
 - any grounds for doubting the authenticity of the evidence presented during the assessment process;
- if I have reason to believe the assessor is not addressing irregularities brought by myself to his or her notice, I shall draw these irregularities to the attention of the LGSETA ETQA Manager;
- any constructive comments about the assessment process, standards or qualifications which I am moderating will be included in my reports to the SETA, to be collated and forwarded to the LGSETA; these will be forwarded to the relevant SGB for inclusion in the SAQA review process.
